CASTLE BLACK INVESTMENT SERVICES AGREEMENT

Between:

Castle Black S.A., a U.S. asset investment company, domiciled at Bogotá, cll 23 f-#82-33, represented herein by Juan Federico Peralta González, holder of C.C. 114151408, as legal representative in his capacity as founding CEO (hereinafter, "Castle Black").

And:

_____ , residing at _____, identified with _____ (hereinafter, "the Client").

First: Purpose of the Agreement

The purpose of this agreement is to establish the terms and conditions under which the Client will provide capital to Castle Black for investment in the U.S. stock market. Castle Black undertakes to manage these investments professionally, seeking to maximize returns and minimize risks, while keeping the Client informed of the status and performance of their investments.

Second: Capital Contribution

The Client agrees to contribute initial capital, which must exceed 300 U.S. dollars. This minimum is set so that the Client obtains reasonably meaningful results that are not outweighed by the quarterly cut-offs.

Third: Withdrawals

The Client may withdraw their funds or profits at any time, but must pay fees on them if the first quarter has not yet been completed; once more than three months have passed, no fee will be charged on withdrawals.
The following types of withdrawal are available:

- Partial: The Client may withdraw any amount greater than 30 dollars. This capital will be taken from the portfolio in the following order, depending on its particular status:
    1. Cash held in the portfolio's buying power: from dividends, pending purchases or reserves.

    2. Money invested in the portfolio's assets (stocks, ETFs, bonds, etc.). These are sold proportionally across all holdings, without distinction, until the amount to be withdrawn is covered.

- Total: When the account is to be closed, regardless of its balance, the full amount in the account will be delivered in accordance with the withdrawal conditions; all assets held will be sold and the net amount will be paid to the Client.

Withdrawal Process: The Client must request the withdrawal of funds through the channels designated by Castle Black. Once the request is received, Castle Black will process the withdrawal and transfer the funds to the bank account specified by the Client, less the applicable commission.

Processing Time: Castle Black undertakes to process withdrawal requests efficiently, aiming to complete transfers within 3 business days of receiving the request. This is done on U.S. business days; otherwise, it may take up to 5 days.

Fourth: Fees

Castle Black's fees are determined by the **profits generated by the Client**, according to the following table:

TIER	PROFITS	COMMISSION
SILVER	> $40	$10
GOLD	$40 - $100	25%
PLATINUM	$100 - $500	20%
DIAMOND	$500 - $1,000	15%
RUBY	$1,000 - $5,000	10%
SAPPHIRE	$5,000 <	5%

A profit cut-off will be made quarterly, starting from the date of joining the partnership; the cost of these cut-offs is determined by the table. The total account balance is taken: from the profits obtained in the last quarter, a percentage will be taken that varies depending on the return obtained. This charge is made only once per quarter, based on the individual profits. These costs will be deducted from the total account balance from the first day of the respective quarter and will increase or decrease depending on performance. Net worth is the net result remaining after deducting the respective fees.

Fifth: Obligations of Castle Black

Castle Black undertakes to:

1. **Receipt of Capital:**
   Receive the initial capital contributed by the Client and allocate it to an account or structure designated specifically for managing the investments of Castle Black's clients.

   Through this platform, Castle Black **is not required to send monthly reports directly**, since the Client can self-manage access to their information in real time.

Sixth: Obligations of the Client

1. Provide Castle Black with the information and documents needed to properly manage their capital.
2. Pay the quarterly cut-off and the applicable withdrawal commissions under the conditions set forth in this agreement.

Seventh: Term and Termination of the Agreement

This agreement shall have an indefinite term and may be terminated by either party by written notice given 14 days in advance. Termination of the agreement shall not affect investments made or commissions applicable up to the termination date. Within that same period, the investment account will be liquidated following the process established in this agreement.

Eighth: Dispute Resolution

The parties agree that, should any disagreement arise between them in connection with this agreement and they are unable to reach an agreement on their own, they will turn to a mediation center to reach a settlement in accordance with the law, undertaking to abide by the resolutions adopted in said mediation process.

In witness whereof, the parties sign this agreement.
